

NEXON ABSOLUTE FOR TEAMS

Nexon Absolute by Nexon Asia Pacific is the simplest and most flexible way of enabling PSTN dialling within your Microsoft Teams environment, giving you a truly integrated collaboration experience.

THE NEW MODERN WORKSPACE WITH MICROSOFT TEAMS

Microsoft Teams is an entirely new experience that brings together people, conversations and content – along with the tools that teams need – so they can easily collaborate to achieve more. It's naturally integrated with Office applications and is built from the ground up on Office 365.

Microsoft Teams has the potential to completely transform how Australian businesses communicate with their customers, partners and colleagues and adding core telephony to this provides employees the ability to truly stay in touch wherever they are, on whatever device they want. But like all telephony platforms Australian Businesses' are still faced with the same important questions:

- **Who's going to configure it and support it?**
- **How do I connect my existing and critical phone numbers?**

Unfortunately, the answers to these questions can sometimes be quite complex and costly, but not with Nexon Absolute!

NEXON ABSOLUTE PROVIDES:

- Microsoft Office 365 users with Teams Direct Dialling*, filling the voice gap.
- Completely cloud based with no additional customer infrastructure required.
- A per-user per-month basis so businesses only pay for what they use
- A Private Network option for guaranteed voice quality
- Flexibility – design a solution based on your needs

*Must have a proper Microsoft license to enable Teams Direct Dialling

THE ANSWER IS NEXON ABSOLUTE

Nexon Absolute is a complete Microsoft Teams managed service that encompasses all requirements. It offers:

MICROSOFT TEAMS MANAGED SERVICE

Via a single per user per month charge Nexon Absolute provides all project management, implementation, training, cutover and 24x7 support and maintenance including ongoing simple change requests

SIP TRUNKS VIA NEXON ANYSIP

Customers will have access to highly available, centralised SIP services delivered via either the Internet or a Nexon managed network link. Importantly Nexon AnySIP will allow customers to keep their existing numbers and deliver new ones where required.

SIMPLE CALL PLANS

With Nexon Absolute customers have peace of mind with call plans that cover local, national and fixed to mobile calling.

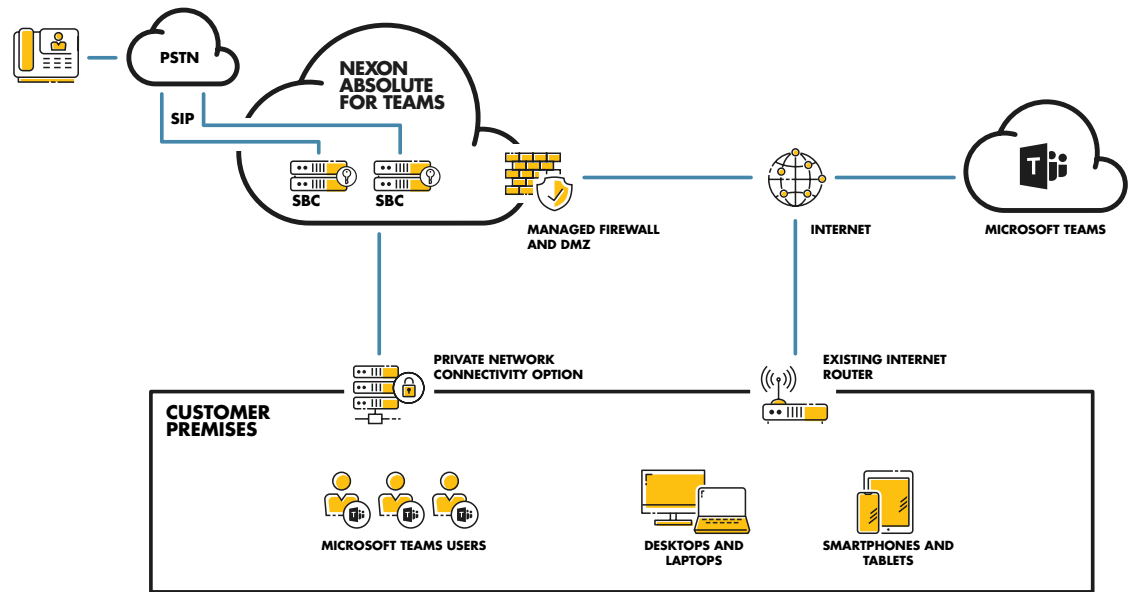

HEADSETS AND HANDSETS

Customers have access to a range of headsets and handsets respectively to complement their solution.

SOLUTION OVERVIEW

Nexon Absolute provides a truly unified solution without the hassles of lengthy and expensive implementations.

KEY BENEFITS

ENJOY THE CLOUD & THE SILVER LINING

Nexon Absolute is a managed service, leveraging Microsoft Office 365 to deliver businesses with a hosted voice and collaboration solution.

FILLING THE VOICE GAP

For Microsoft Office 365 users, Nexon Absolute extend its functionality to include enterprise voice features while leveraging Azure Voice Mail. Nexon's AnySIP will allow businesses to keep their existing phone numbers and add new ones.

PAY AS YOU GO. PAY AS YOU GROW.

Nexon Absolute is a hosted access solution delivered as a service, on a pay-per-seat-per-month basis, giving businesses the flexibility to scale up and down based on their changing needs.

ENTERPRISE AUDIO & VIDEO EXPERIENCE

To ensure the highest level of voice and video quality, Nexon Absolute is delivered over Nexon's private environment rather than the open "public" Internet. Using our own private network allows Nexon to provide users with an enterprise-quality network service guarantee for all voice, video and filesharing sessions.

ZERO TOUCH

Nexon Absolute is a completely hassle-free solution. Our dedicated team not only ensure an easy, free-of-cost transition from businesses' old PBX to a completely hosted environment, it also provides full maintenance and training for new communications solution.

LOW COST, MANY ADVANTAGES

By using Nexon Absolute, businesses can significantly reduce the ongoing total cost of ownership (TCO) for its I.T. infrastructure. In addition, businesses can gain access to Nexon's discounted network carrier plans, including the option to upgrade to an "all calls inclusive" monthly cap plan, with zero capital outlay from users.

ABOUT NEXON

Established in 2000, Nexon Asia Pacific (Nexon) is a cloud and managed service provider helping clients run more efficiently, create better user experiences and explore bigger opportunities. We're a trusted technology partner for mid-market businesses, government agencies and not-for-profit organisations throughout Australia and the Asia-Pacific region. Nexon supports businesses on their digital transformation, from network to SIP, to business solutions and everything else in between, allowing clients the ability to work seamless across any cloud, anytime and any device.
